INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Frank L. Sizemore,

Jared,

West Virginia.

Sir:-

Your letter of May 29, 1907, relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

You are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

NLC.

You are further advised that if the descendants of Ned Sizemore can prove that they were enrolled with the Eastern Cherokees in 1851 they will be entitled to share in the fund.

App. No.12112.

December 15, 1909.

Martha Rush,
Westmoreland,
Tennessee.

Madam:

Replying to your letter of recent date you are advised that the exception you have filed in your case will be considered in its regular order, but it will probably be some time before the decision in any particular case, in which an exception has been filed, will be announced.

Very respectfully,

Special Commissioner.

NLC.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through _____

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #12112.

June 20, 1907.

Miss Martha Rush,
Westmoreland,
Tennessee.

Madam:-

Your letter of June 14, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 25,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is anything further required in connection with your application you will be duly notified.

Very respectfully,

NLC.

Special Commissioner.

Appl. #12112

July 14, 1909.

Dear Sir:

On the 14th day of July, 1909, I received from you a letter of the 13th inst. in which you inform me that you have received from the United States Patent Office a copy of the patent for the "Improvement in the Construction of the Piston of an Internal Combustion Engine" which was granted to you on the 13th day of July, 1909.

I am very glad to hear that you have received this patent, and I am sure that it will be of great value to you in the future.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through _____

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

Sir:

Replying to your letter of December 15, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time

yet, as there have been a large number of exceptions filed to

my report, and until these are considered and passed on, and

the roll finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot

be ascertained until the final roll has been approved and the

exact number enrolled determined. However, it will probably not

amount to over \$130.

Very respectfully,

Special Commissioner.

App. No. 12120.

May 11, 1908.

Honorable John W. Daniel,
United States Senate,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your reference, of May 7, 1908, relative to the application of Rosa E. Chambers, of Richmond, Virginia, for participation in the Eastern Cherokee fund.

In reply you are advised that this application has not been reached for final adjudication and we are unable to state what, if any, addition information will be required in connection with the same.

You are further advised that we cannot state, at the present time, when the money appropriated for the payment of this fund will be distributed. It will first be necessary to have a complete enrollment of all those entitled to share in the fund, and to have this enrollment approved by the Court of Claims. Until this is done no money can be distributed.

There are more than 41,000 applications filed in this office, by claimants residing in all parts of the United States, and these applications will have to be examined, grouped in families, and in many instances testimony will have to be taken in the field before a decision can be reached as to the merits

The letter you enclosed is returned to you, herewith.
Very respectfully,

Special Commissioner.

The Eastern Cherokees

vs.

The United States.

Exceptions.

Application No. 12,130.

Comes now Lula M. Robertson and excepts to the roll of individual Eastern Cherokees entitled to participate in the fund arising from a judgment in this cause as reported by Special Commissioner, Guion Miller, May 28 th, 1909, for the reason that her name is omitted therefrom: and her children's.

She says that the names, ages, and post office addresses of the person omitted are Lula M. Robertson, 28 years, Porum, Oklahoma; Eliza D. Nicholson, 10 years, Porum, Oklahoma; Samuel J. Nicholson, 8 years, Porum, Oklahoma; Clara Nicholson, 6 years, Porum, Oklahoma and Ethel Robertson, 4 years, Porum, Oklahoma.

That her mother's name is Eliza C. Redding; that her ancestor was Joe Ross, who was the son of Templeton Ross and Susan Sevier; that she, the exceptor, is a blood relative of William Potter Ross, born August 28, 1820, at the foot of Lookout Mountain, on the Tennessee river; also that she is a blood relative of Major George Lowry; that she is on the Cherokee Roll;

That although her mother, Eliza C. Redding may be excluded from the Eastern Cherokee roll, she feels that she ought not for that reason be excluded herself.

Wherefore she prays the Court to add her name and the names of her children to the Eastern Cherokee roll of individuals entitled to share in the Eastern Cherokee fund.

That I am 36 years of age. I claim my Indian descent through my mother; my father was a full blooded white man. My husband is a white man. My mother claimed Indian through her father, Joe Ross. Tompleton Ross was Joseph Ross' father. During the Old Gold payment my mother was about three years old. She was living in Sevier Co., but I don't know just where. She was born in Arkansas. My mother's father was dead in 1851. Andy Ross was my mother's father's brother and he raised my mother. My mother had only one sister, Mary Ann. She had no brothers. Mary Ann only lived four years. Tompleton Ross was not living in 1851. I think it was \$280.00 that was drawn for my mother in 1851 at Ft. Smith. That was an Old Settler payment. ~~and she was enrolled under the name of~~ Mary Ann Elizabeth. Old man Gentry and Andy Ross were drunk at the time the roll was made and I don't know just how my mother was enrolled. She had a good many different nick-names. I and my children were all enrolled by the Dawes Commission on Cherokee roll #29369. I have land allotment with the Cherokees. My mother also has an allotment with the Cherokees. My mother claims to be 1/8 Cherokee. Tompleton Ross came West when a small boy at the time the Indians came from Georgia. Andy Ross has a son named Jesse.

Sapulpa Okla 7/3, 1909

Mr Union Miller,

Washington, D. C.,

Sir, - I am in receipt of your circular letter addressed to my wife, Mary B Grinstead, at Coffeyville, Kansas, advising that she had been enrolled, as entitled to participate in the fund arising from the judgment of the Court of Claims of May 28 1906. Of the application of her son, Kenneth E, no mention is made and upon examining the roll, I find that it is not there either.

Will you kindly advise me whether this supplementary application has been disallowed, whether it is omitted from the roll by error, or whether the application was not received. Mrs Grinstead does not know whether you ever acknowledge receipt of it or not. Mrs Grinstead's application is numbered 12136, your letter states that she is numbered, 12686 on the complete roll.

If you have not her supplementary application on file, will you please send me one of the blank forms, of application for minor children.

Very Respectfully,

C. E. Grinstead,

1918.

Misc.

Nancy E. Chambers,- being duly sworn, deposes and says.

My name is Nancy E. Chambers. My age is 46 years. I live in Rogers County and have always lived in the Territory. I was enrolled by the Dawes Commission, Roll No. 11839, Cherokee Roll. I was enrolled for the bread and strip money. My Indian blood comes from both sides. Mother was Malinda Downing and she married first, Wofford, and the next Carey. She died in this county and came from Canadian to Tahlequah District and from there here. She got the bread and strip money. She was enrolled on Roll of 1851. Her name was Carey then. A-na-wa-ki or Ah-ne-wa-ki. She had one brother, Mose Downing. He died when a mere boy. My grandfather was Aaron Downing, and my grandmother Lizzie Downing. She afterwards married a man by the name of Hogshooter. He lived (Aron) in the Eastern part of the nation. One of Aaron's brothers was James. He lived in Tahlequah District. An aunt by the name of Judy; she would be a great-aunt; also Katie. She lived in Tahlequah District at the time I knew her. My mother's people were Emigrants. They never associated with any other tribe of Indians. My mother came from Georgia.

My father was Walker Carey. He was Emigrant too. He lived in different parts of the nation; he lived in Illinois District and Tahlequah and Canadian. He had one brother Shade Carey. He had no sisters that I know of. Father was James Cary. He got his blood from his mother, Nancy Pheasant. I cannot tell whether these people on my father's side were ever enrolled. My father's brother, Shade Carey was an Old Settler, but my father was not. I do not know where Nancy Pheasant lived. She had brothers and sisters but I cannot give their names. (Look on 1851 Roll). Nancy Pheasant may have been Nancy Carey or Nancy Too-stoo, in 1851

That I am 46 years of age and live in Mc Minn Co., Tenn. I claim my Indian descent through my father and his father. My father was born and raised in Cherokee Co., N. C., I think. He went from N. C. to Ga. somewhere between the Mexican and Civil Wars. I think he went to Red Clay, Ga. and then he came to Tenn. My grandfather was born and raised in Cherokee Co., N. C. My grandfather left N. C. between the two wars. I don't know whether my father lived with the Indians as a member of the tribe. My grandfather lived amongst the Indians but I don't know whether he was a member of the tribe. Neither my father nor grandfather were on any roll, nor were any of my ancestors that I know of. My grandfather sometimes went by the name of Croye. I don't know where my father was in 1835. My grandfather claimed 1/2 Cherokee. I am recognized as a white person. My wife is a white woman. James Ritchie who has filed application #19729 is a cousin of mine and claims through William Cry too. That is the only source he claims through.

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases where applicable. Read the questions carefully.

My dear Sir:

If not asking too much you will oblige me by answering the following. I am a claimant as you will observe under the decedency of Ned Sisemore. I would be pleased to know whether the descendants of Ned Sisemore will be allowed to share

the Eastern Cherokees.
I have heard it asserted that
we would not be allowed
to share by reason that
his name could not be
found on records. If we
will be allowed anything
I will be pleased to know it.
And also how much will
each individual get as near
as can be ascertained at
present? With the information
requested above I shall be
greatly obliged. Yours truly

P.S. Please find enclosed

will their claims be paid off
And about how much shall
each successful applicant expect
to get. If it has been ascertained

July 2, 1907.

Lura Myers,

City,

North Carolina.

Madam:-

Your letter of June 24, 1907, relative to the claims of the descendants of Ned Sizemore for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

In it you ask whether or not it will be necessary for these claimants to show that Ned Sizemore was enrolled with the Eastern Cherokees in 1835-6 or 1851, or whether it would be sufficient to show that he was a recognized Eastern Cherokee Indian at that time.

In reply you are advised that this question has not yet been definitely determined. There have been a large number of claims filed by the descendants of Ned Sizemore, and when we reach these claims for consideration we will take testimony and examine witnesses to show just what Ned Sizemore's connection was with the Cherokee Tribe.

Very respectfully,

NLC.

Mr. Jesse Osborn,
Independence, Va.

Dear Sir:-

Replying to your letter of August 26, 1907, you are advised that the applications for participation in the Eastern Cherokee Fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to hear all of these cases adjudicated, and until they are so determined, no money can be distributed.

If there is any further information regarding the same which you desire, you will be notified.

Very respectfully,

Rachel Holland, -- being duly sworn, deposes and says:

My name is Rachel Holland. I am 30 years old. I was born in Oklahoma and have lived here ever since. I claim both through my father and mother. I was enrolled by the Daws Commission as a Cherokee full-blood. Roll No. 10417, I don't know whether I was enrolled before. I drew in Cherokee Strip payment. My mother's name Cynthia Turner before marriage, and she married Wat Horsefly. She is not living, as she died when I was small. She lived in Spavinaw, Delaware District. She lived there many years. I think she was born in the Territory. My mother got her Indian blood from both sides. I don't know my grandmother's full name on my mother's side but it was Mixwater. She lived where my mother lived. My people came from North Carolina. My mother's mother came from North Carolina. They drew money in 1850 or thereabouts. About 1850 my mother's mother drew money while living in the Delaware District, at Spavinaw. The Indian for Mixwater is O-ma-suy-ah. My uncle was Link Mixwater.

My mother's father was Isaac Turner. Asick as near as I can spell it was his Indian name. He lived in Delaware District. I do not know any more about him. I do not know that my mother's people ever associated with any other tribe of Indians. They were not Old Settlers. Alone was grandmother's name.

My father is Wat Horsefly in English, and ~~Dawx~~ Indian name Wah-dee Dah-ma-gah. Peggy Horsefly is a sister to my father, Indian name Wagy Dah-mah-gah. My grandfather on my father's side was Horsefly and Indian name Dah-ma-gah. A-lee Dah-mah-gah is my uncle. Wah-lee-ne Horsefly was an aunt. I don't know when my father's people came from the East. They were enrolled. They drew money in 1852.

My mother's mother's brother adopted me after the death of my mother and they called me Mixwater and I was enrolled under that name.

I think my father and grandfather were living in the Delaware District in 1851.
